NOW HIRING FULL TIME UTILITY WORKER/TECHNICIAN

The city of LaCenter Water/Wastewater Facility has a job opening for a full time Water and Wastewater Public Works Utility Worker/Technician. Monday - Friday, **starting pay \$16-\$18 per hour** (depending on experience). *After a 3-month (90 day) probationary period, the new hire will be re-evaluated by the supervisor and commissioning board for permanency.*

Employees will report to the Public Works Director/Supervisor and the City Board of Commissioners. Work-based training is available with time, expenses, licensing and/or certification paid for by the city. Pay will be adjusted upon completion of training so long as a certification and/or license is acquired.

Job requirements include but are not limited to: a valid driver's license and the ability to maintain a satisfactory driving record, high school diploma or equivalent (GED), availability to occasionally work extended hours, weekends, and/or holidays, basic knowledge of water and wastewater operations, knowledge or at least comfortability in mechanical operations, punctuality, selfmotivation, positive attitude, dependability, and the ability to obtain and maintain water treatment and wastewater certification within 1 year of hire date beginning after the probationary period.
